

A large, dark blue ink splash or blotch is centered on a white background. The splash has irregular, feathered edges with some smaller droplets and splatters extending outwards. The text is centered within the main body of the splash.

St. Teresa's R.C. Primary School

A welcome from Mrs Kane

Hello everyone!

My name is Mrs Kane and I am so excited that you have decided to join us at St Teresa's School. In our Nursery, we have lots of fun, make new friends and learn lots of new skills.

You can keep up to date with everything that is happening by going on to the school website which is www.stteresassalford.stoccat.org.uk or follow us on Twitter @StTeresasRCP

All of the Nursery staff can't wait to meet you. If you have any questions please don't hesitate to get in contact.

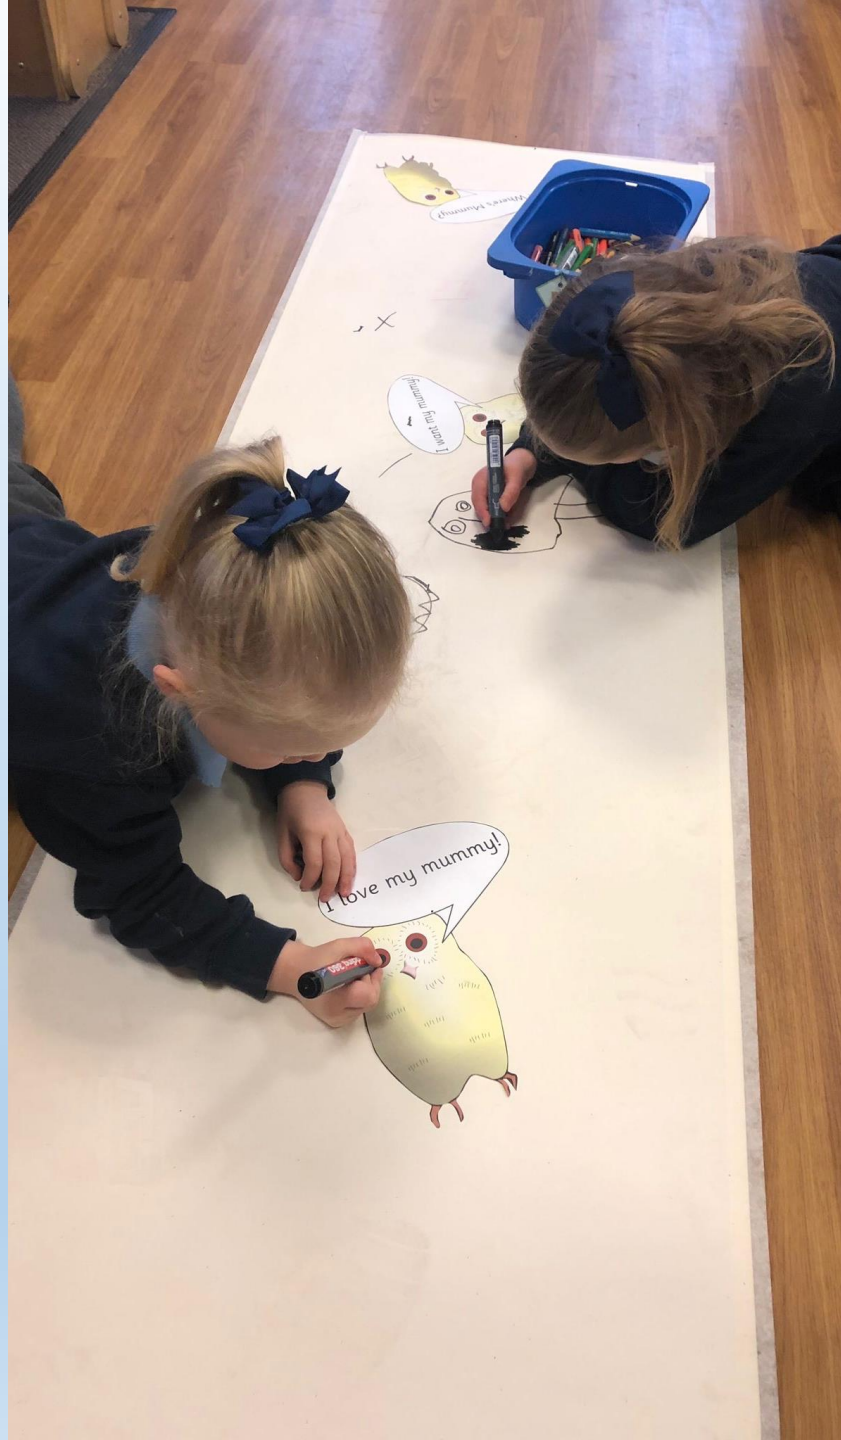

See you all soon.

Mrs Kane

Parents as partners ...

We are Writers...

We are Mathematicians...

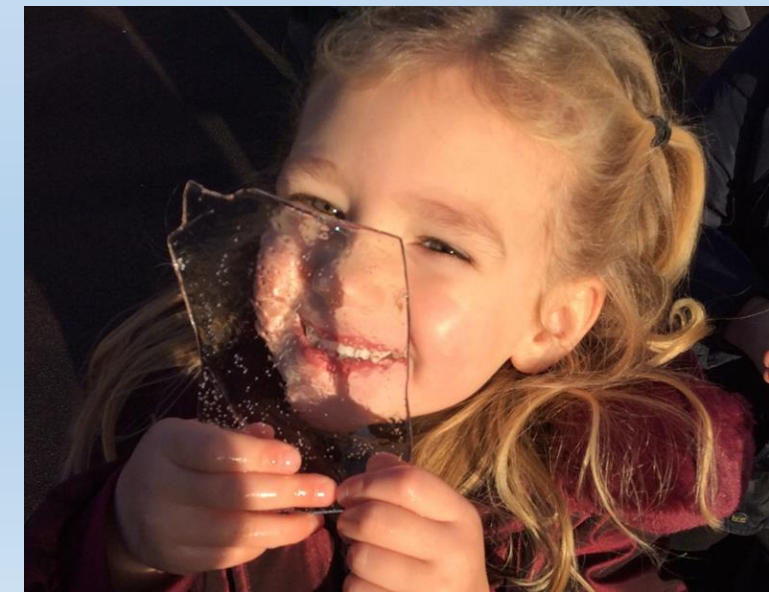

We are Storytellers...

We are Artists...

We are Explorers...

We are risk takers...

Starting Nursery

Starting Nursery

The children will begin school with a staggered transition, this allows the staff to get to know your children and help them to adapt to our nursery routines in the most effective way.

The children have been grouped according to their birthdays and the children will be in small groups during the part time period. You will be informed in advance when your child will stay for the full day.

Things to
be working on.....

Things to be working on

Talk to your child about starting school.

Support your child to develop their independence.

Help develop your child's vocabulary.

Encourage your child's concentration skills by completing simple tasks such as sharing a story, playing a game or building a jigsaw.

If you haven't already done so, support your child with toilet training.

We grow together...
